## ***A LITTLE BIT ABOUT US...***

---

- Part of a growing network of 60+ bars and restaurants in the metropolitan area. We're even out at Community America Ballpark.
- Your business will be included in our Union Indoor branding campaign that airs on Sports Radio 810 WHB and Hot Talk 1510 KCTE. Over 1,200 thirty second commercials air annually.
- We will provide complimentary artwork that is included within our frames. This artwork is yours to keep and use to promote your in-house specials and other printed media.
- Our frames are professionally designed and installed and contain information of interest to your patrons while they are otherwise occupied.
- We are a local company that believes in supporting the local community. Our installers take pride in our product and maintain it regularly.
- We also own and operate two successful radio stations in Kansas City...Sports Radio 810 WHB and Hot Talk 1510 KCTE.
